

SYDNEY JUGGLING CONVENTION 2012

Program

Sydney Juggling Convention 2012
26th-29th January
Marrickville PCYC

Welcome to the Sydney Juggling Convention 2012!

The convention relies on your support to succeed so please get involved. Teach a workshop, invite your friends and family to the Sirkus Circus Show or volunteer to help out on the registration desk.

Sirkus Circus is the public show of the SJC. The show will feature our international guests as well as lots of local performers and is sure to be the highlight of the weekend. Tickets are limited so make sure your friends and family don't miss out.

The Renegade is your chance to get involved and try out your new act. There is no sign up so anything goes! The show is held at a pub but under 18's are welcome with a guardian. There may be adult language and themes but we're going to keep it reasonably clean this year. Parental discretion is advised.

The Games will feature all your favourite juggling games with the chance to win fabulous prizes....like a set of fuzzy dice....

Workshops are run by volunteers. If you would like to run or attend a workshop check out the workshop poster on the wall of the gym. This year we have booked some space for "Learn to..." workshops, so if there are some basic skills you want to learn or brush up on, check out these spots.

International guests are a feature of the SJC every year. This year we are lucky to have Jochen and Florian from Get the Shoe. Both of them are amazing jugglers so make the most of them being in Australia, check out a workshop or introduce yourself in the gym. Make them feel welcome!

Timetable

Thursday

- 12noon:** Convention Venue opens
- 1pm:** Official open and orientation
- 2pm-6pm:** Workshops and open juggling
- 6pm:** Welcome BBQ in the park

Friday

- 11am-6pm:** Workshops and open juggling

Bus number 423 stops near all venues and will also take you to Newtown or the city. See the desk for maps and timetable.

The SJC believes:

1. Bringing a high calibre international juggler to the convention will improve Australian juggling and help raise the profile of the Australian juggling scene.
2. That if everybody, including the organisers and volunteers, pays to attend the convention, we can make the convention more affordable for all.
3. That the profits from a professional public show will allow us to provide a better convention without having to raise entry fees.
4. The public show should provide a stage for performers of all levels to showcase their skills and work with jugglers from around Australia and overseas.

The Sydney Juggling Convention: For Jugglers, By Jugglers.
